## PRIVACY POLICY

### 1. Introduction and Summary

Take Away Ecosystem LTD and its subsidiaries and affiliates ("Take Away Ecosystem", "we", "our", and/or "us") respect the privacy of users of [www.takeawaycoin.com](http://www.takeawaycoin.com) ("Site"). This privacy policy ("Privacy Policy") explains how Take Away Ecosystem collects, uses, and discloses information about you, as well as your rights and options in relation to such information. If you have any questions or would like to exercise your rights and preferences, please contact us using the information provided in the "Contact Us" section.

### 2. Information Gathering

When you use the Site, Take Away Ecosystem obtains certain personal information from you. This data is gathered and may be electronically kept by us. This information may be freely submitted by you, automatically acquired by us from you, or obtained from third-party sources as described in Section 2.

#### A. Information Provided by You

We collect information about you when you use the Site, including information you supply when you access the Site or send us an email using the "Contact Us" function on the Site. Specifically, we collect and have collected, during the last 12 months, the contents of any messages or emails sent to us via the "Contact Us" function of the Site.

#### B. Information Automatically Obtained

We collect information automatically when you use the Site. • Device data, including information on the type of device or browser you use, your device's operating system software, your internet service provider, your device's regional and language settings, and device identifiers such as an internet protocol (IP) address.

- Location information, including inaccurate location information (such as location inferred from your IP address or data indicating a city or postal code).

- Cookies, which are little data files kept on your device that identify your browser with a unique identifier. Session cookies and persistent cookies are the two sorts of cookies. Session cookies might facilitate website navigation and expire when the browser is closed.

Persistent cookies can help customize your experience, remember your preferences, and support security features. Persistent cookies can remain on your device for extended periods of time and are often managed through your browser's preferences. Please check our Cookie Policy to learn more about our cookie usage.

See "Your Rights and Choices" below for more information on how we utilize technology for analytics and your rights and options regarding them.

## Information Obtained from Other Sources

We collect information from other sources, including partners who offer applications and other services in the Terra Ecosystem (Ecosystem Partners) and publicly available sources, including data in the public domain, in order to respond to your requests, at your direction, for security and safety, or as required by law.

## 3. Use of Information

In accordance with the practices outlined in this Privacy Policy, we gather and utilize the information for business purposes.

- Operate and manage the website
- Provide the requested services, including responding to your comments, questions, and requests and providing customer service.
- Sending you administrative and support communications.
- Detecting and responding to fraud, policy or contract violations, and threats of harm.
- Observing and analyzing trends, utilization, and activities.
- To simplify the connecting of third-party services and apps that have been permitted.
- Doing research, such as focus groups and questionnaires.
- Enhancing Take Away Ecosystem's Website and all associated services.
- Any purpose pursuant to your direction or authorization.

We may use information that does not identify you (including aggregated or de-identified information) for any purpose except where prohibited by law. Please refer to the section titled "Your Rights and Choices" for information about your rights and preferences regarding how we utilize information about you.

## 4. Exchanging Information

We share the data we gather in accordance with the procedures outlined in this Privacy Statement.

The following entities may have received information from us or may receive information from us in the future:

- **Service Suppliers.** We share information with businesses that process data on our behalf for our business reasons, including Site maintenance. Service suppliers supply us with data analytics, marketing, and advertising, website hosting, and technical support, among other services. We contractually prohibit service providers from retaining, using, or disclosing information about you for any purpose other than performing services for us. However, we may permit them to use information that does not identify you (including aggregated or de-identified information) for any purpose unless prohibited by applicable law.

- **Associates.** For commercial objectives, including customer service, marketing, product and content development, technical operations, and operating the Site, we share information with our affiliated organizations, including our parent and sister companies.

- **Take Away Ecosystem Partners.** We share information with Take Away Ecosystem Partners at your request, with your consent, or as required to provide the desired services.

- **Merger or Purchase.** We share information in connection with or during negotiations of any proposed or actual merger, purchase, sale, or another type of acquisition, a business combination of all or any portion of our business or assets, change of control, or transfer of all or any portion of our business or assets to a third party (including in the event of any bankruptcy proceeding).

- **Where Necessary by Law or for Safety and Security.** We provide information to comply with the law or other legal procedures and in response to valid requests from public authorities, including to meet national security or law enforcement requirements.

- **Other Third Parties.** We also share information to defend the rights, property, life, health, security, and safety of us, the Services, and others. We disclose information gathered pursuant to this Privacy Statement with other parties upon your request, direction, or consent.

We may also disclose information that does not personally identify you, such as aggregated or de-identified data, unless prohibited by applicable legislation. Please refer to the section titled "Your Rights and Choices" for details on your rights and preferences regarding the sharing of your information.

## 5. Links to Services and Websites of Other Parties

The Site contains connections to websites, platforms, and other services that are not administered or managed by us. Note that when you connect with other entities, such as when you leave the Site, those entities may independently collect information about you and request information from you. The information collected and held by these entities remains subject to their own policies and practices, including the information they share with us, your rights and options on their services and devices, and the locations where they store

information. We advise you to review and become acquainted with their privacy policies and terms of service.

## 6. Your Rights and Options

### A. Details About Your Account.

You may access, modify, or delete specific information you have submitted through your account by checking your account settings or by sending an email to the email address listed in the "Contact Us" section below. We may need extra information to verify your identity. Please be advised that we will store and utilize your information as required to comply with our legal requirements, resolve disputes, and enforce our agreements.

### B. Cookies and Technology Optional Features

- **Cookies.** Google Analytics is utilized to collect and handle analytics data on our behalf. You can opt out of Google Analytics by installing the corresponding browser plug-in. On the cookie settings page, you can disable non-essential cookies acquired from the Site. By default, most browsers accept cookies. You can instruct your browser to reject or erase cookies by modifying its settings. If you use numerous browsers on your device, you will need to provide unique instructions for each browser. Your ability to restrict cookies is subject to the settings and limitations of your browser.
- **No Tracking.** Your browser settings may allow you to automatically broadcast a "Do Not Track" signal to the businesses you visit. Note, however, that there is no consensus throughout the industry regarding what site and app administrators should do in response to these signals. So, unless and until the law is deemed to oblige us to do so, we do not monitor "Do Not Track" signals or take any action in response to them. To learn more about "Do Not Track," please visit <http://www.allaboutdnt.com>.

Please note that if you disable or remove tracking technology, certain portions of the site may not function properly.

### C. Communications.

- **E-mails.** You may opt out of getting promotional emails from us at any time by clicking the unsubscribe link in the email or by sending an email to the address listed in the "Contact Us" section below with the word UNSUBSCRIBE in the subject line. Please note that you may continue to receive non-promotional emails, such as responses to your Site-based customer service requests.

## 7. Children.

The Site is not intended for or designed to draw children's attention. We do not intentionally collect or store the personal information of children under thirteen. If you are a parent or guardian and you feel that we have acquired information from your kid, please contact us using the information provided in the section titled "How to Contact Us."

## 8. Data Protection

Take Away Ecosystem employs reasonable security measures to prevent unauthorized access to the Services and the modification, theft, or abuse of user data. We cannot guarantee the security of any information about you, collected from you or supplied by you due to the insecure nature of Internet transmissions.

## 9. International Transfer

Our service providers and we may move, store, or access your personal information in Belize or other jurisdictions. Please be aware that if you access our Site from the European Union or other locations with laws regulating data collection and use that may differ from those of Belize, you are moving your information outside of those nations for storage and processing. Additionally, we may transfer your data from Belize or elsewhere to other countries or regions in connection with the storage and processing of data, fulfilling your requests, and administering the Services. By submitting information on or through the Site, you consent to the transfer, storage, and processing of such information.

## 10. Modifications to this Privacy Statement

Any modifications to the Privacy Policy will be posted on this page, and the amended version will become effective when posted. In accordance with any legal requirements, if we make major changes to the manner in which we treat your information, we will provide you with a notification in the application and via email.

## 11. Contact Us.

If you have any questions, comments, or concerns regarding our processing activities or this Privacy Statement, please email us at [general@takeawayecosystem.com](mailto:general@takeawayecosystem.com) with the subject line UNSUBSCRIBE. Please note that you may continue to receive non-promotional emails, such as responses to your Site-based customer service requests.
